Marketing

From time to time, we may use your information to contact you with details about our products, services and events which we feel may be of interest to you. You have the right to at any time to stop us from contacting you for marketing purposes. If you do not want to be contacted by us please opt-out via links provided on communications or email your request to info@CentrePointSoftware.co.uk

Keeping your information

We will retain your personal information for as long as necessary to fulfil the purposes we collected it for. To determine the appropriate retention period for personal data, we consider the following:

- Amount, nature, and sensitivity of the personal data
- The potential risk of harm from unauthorised or disclosure of your personal data
- The purposes for which we process your personal data
- Whether we can achieve those purposes through other means: and
- The applicable legal requirements

Typically, we will not keep contract related details for longer than 10 years. We keep your billing data for 7 years for tax purposes.

Your information

If we hold information about you that is incorrect, or if there are any changes to your details please let us know so that we can keep our records accurate and up to date. If you want to update your records or see a copy of the information that we hold about you, please contact us at CentrePoint Software, 122 Minories, London EC3N 1NT, or by email at info@CentrePointSoftware.co.uk.

Security & Storage of your data

Data stored locally is held on CentrePoint Software owned equipment. Security of that data complies to the Government backed Cyber Essentials Scheme which includes:

- Controls on access to the data. Access is restricted to only those persons authorised to see the data
- Up to date anti-malware protection to reduce the risk of data being damaged by malicious software

We will keep your information secure by taking appropriate technical and organisational measures against its unauthorised or unlawful processing and against its accidental loss, destruction or damage.

Some communications sent over the internet, such as email, may not be secured unless they are encrypted. Although we do our best to monitor and improve how we protect your personal data, we cannot guarantee the security of your data which is transmitted to our website or other products and services via an internet or similar connection and any transmission of data to our site is at your own risk.

Sharing your information

CentrePoint Software may share your information with:

- Software/hardware vendors to resolve a support call
- With third party businesses with whom we are collaborating with to provide a product/service to you
- We will share your contact details and the details of the products you use across our group of companies to ensure we are providing you with the best services we can.

We will disclose your information if required to by law. We may disclose your information to enforcement authorities if they ask us to, or to a third party in the context of actual or threatened legal proceedings, provided we can do so without breaching data protection laws.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. Updated privacy policies will be updated on the relevant CentrePoint Software website or provided to you at your request.
